

Let the sun be your energy!

With our motto, we work day and night to add energy to the energy of our country and to remain energized. We listen to you first, we offer you the most effective solution that your house needs in accordance with your request. We add value to your investment with the right engineering, right materials and the right workmanship. We continue to work hard to create happy customers and leave a clean world for future generations.

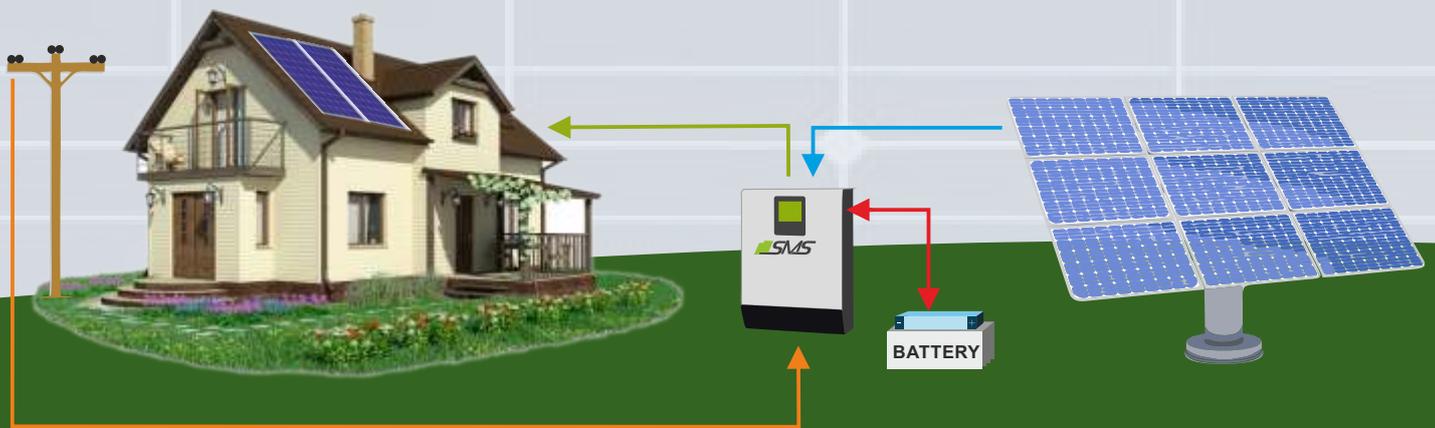

Right steps, clean tomorrows

Polycrystal photovoltaic module – 12 pieces x 260 Watt

5kVA

- SMS Energy HYB-K5000 Hybrid – 1 piece
- Mounting kit (Inclined roof, Flat roof or Terrain)
- Solar Battery – 8 pieces x 200 Ah
- Battery and switching equipments – Kit
- Solar Cable – 30 meters. x 6 mm²
- MC4 Solar Cable Connector – Kit

4kVA

Polycrystal photovoltaic module – 9 pieces x 260 Watt

SMS Energy HYB-K5000 Hybrid – 1 piece

Mounting kit (Inclined roof, Flat roof or Terrain)

Solar Battery – 4 pieces x 240 Ah

Battery and switching equipments – Kit

Solar Cable – 30 meters. x 6 mm²

MC4 Solar Cable Connector – Kit
